

Save Our Brumbies Rally

Tuesday 2-Aug-2016

Gather behind NSW Parliament House, Hospital Road

9.00 for 9.30am start

Background

The Snowy Mountains Bush Users Group (SMBUG) has organised a major rally in Sydney. Relevant authorities have given permission to hold the rally and to float three Brumbies in to lead the rally walk. It is vital that as many who wish to show their peaceful support of the NSW Snowy Brumby attend this rally, no matter which state they come from.

Pre Rally Gathering Place (9.30)

Supporters need to gather behind the NSW Parliament (Hospital Rd) so everyone walks in solidarity.

Allow plenty of time to find a car park, toilets and refreshments prior to the rally start so we move off and stay together until 12.30. Media coverage will also be present.

It is important that people do not gather first on Macquarie's St (unless they have arrived too late to follow the 3 Brumbies on the rally walk from Hospital Road around to Macquarie's St).

Official Rally Walk

The rally commences with the 3 Brumbies officially moving off. All rally supporters then follow the Brumbies around from Hospital Road to the Macquarie St Public Address system area.
